Article 3	Testing for Alcohol
Article 4	Positive Test Results

Note: Text changes from the previous issue of this Schedule are highlighted such. Text changes for grammatical and/or formatting reasons are not highlighted.

Part One - Drugs

1. General:

- 1.1 Pursuant to Article 38 of the National Sporting Code, all competitors and officials are subject to the international and national rules covering the use of drugs in sport.
- 1.2 MotorSport NZ has entered into agreement with the Sports Tribunal of New Zealand (Sports Tribunal) and Drug Free Sport New Zealand (DFSNZ) to abide by Drug Free Sport NZ's Sports Anti-Doping Rules (SADR) and to adopt and implement the provisions of the World Anti-Doping Code (WADA), including the establishment of a MotorSport NZ Anti-Doping Tribunal.

Note: The Sports Anti-Doping Rules can be found on the DFSNZ website www.drugfreesport.org.nz

2. **Sports Tribunal of New Zealand (Sports Tribunal):** The Sports Tribunal is recognised by MotorSport NZ under the Sports Anti-Doping Rules as the arbiter of any hearing arising as a result of an alleged violation involving a substance detailed in the WADA list. Any such hearing shall be conducted by, and according to, the Sports Tribunal's procedures and regulations. Any alleged violations involving substances that do not appear in the WADA list shall be heard by the MotorSport NZ Anti-Doping Tribunal.

Schedule D

- 2.1 Anti-Doping Judicial Committee of MotorSport NZ:** The Anti-Doping Judicial Committee shall:
- (1) Be appointed by MotorSport New Zealand, and shall have the equivalent rights and powers of a Judicial Committee under Article 18.4 of the MotorSport NZ Constitution in respect to anti-doping rule violations.
 - (2) Be empowered to act pursuant to Article 118(5) of the Code.
 - (3) Conduct any Anti-Doping Judicial Hearing according to the provisions of Part X of the National Sporting Code.
- 3. Prohibited Substances:**
- 3.1** The list of prohibited substances published by the World Anti-Doping Agency and any additional provisions are set out on the Drug Free Sport NZ website – www.drugfreesport.org.nz.
- Note:** *Further enquiries about forbidden drugs can be obtained by contacting the agency's Hotline 0800 DRUG FREE (0800 378-437). The reference list of substances is regularly updated. Competitors can also obtain a booklet from DFSNZ entitled "Drug Testing – Athlete Rights and Responsibilities."*
- 3.2** It is the personal responsibility of each competitor or official to ensure that no prohibited substance enters their body.
- 4. Testing:**
- 4.1** Prohibited substance testing will be undertaken by Drug Free Sport NZ in accordance with their prescribed procedures and protocols.
- 4.2 Testing of Minors.** Where a minor is a competitor, consent to testing is considered to be given, by a person of legal responsibility for that minor, upon receipt by the Organisers of that Series, Meeting or Event of the signed Entry Form for that competitor.
- 5. Positive Test Result:** Where a positive test result is confirmed by Drug Free Sport NZ, the competitor or official shall immediately be informed by MotorSport NZ and placed under provisional suspension, pending a Sports Tribunal or Anti-Doping Tribunal hearing.
- Note:** *A provisional suspension due to a positive test result is specifically exempted from the provisions of Article 93(1) of the National Sporting Code.*
- 6. Prescription Medication Exemption:**
- 6.1** At the start of the season (for a condition requiring continuous treatment) or when a competitor is obliged to follow a treatment requiring him or her to take prohibited medication, they shall contact MotorSport NZ at least 21 days before the event, for an application to the MotorSport NZ Chief Medical Adviser for a Therapeutic Use Exemption (TUE). A reply (positive or negative) will be supplied to the applicant and MotorSport NZ advised by the Chief Medical Adviser. MotorSport NZ will maintain a dossier of TUEs.
- 6.2** In the event of anti-doping control tests, the driver will be required to produce the TUE to the testing authority.
- 7. International Events:**
- 7.1** If a competitor holds a TUE issued by the MotorSport NZ Chief Medical Adviser and wishes to compete in an international event they must advise MotorSport NZ at least 45 days prior to the event. The driver's TUE dossier held by MotorSport NZ will then be forwarded to the FIA for validation.

Part Two - Alcohol

1. General:

- 1.1 Pursuant to Article 38 of the National Sporting Code, all competitors and officials are subject to the international rules covering the use of alcohol in sport.

2. Appointment of Officials:

- (1) Alcohol testing will be undertaken by a MotorSport NZ appointed official.
- (2) At each Meeting or Event Judges of Fact – Alcohol Testing will be appointed. The names of the Judges of Fact – Alcohol Testing will be posted on the Official Notice Board at each meeting.

3. Testing for Alcohol:

- 3.1 The tolerance for breath alcohol has been fixed at zero. A digital breathalyser approved by MotorSport NZ will be used.

- 3.2 **Testing of Minors:** Where a minor is a competitor, consent to testing is considered to be given, by a person of legal responsibility for that minor, upon receipt by the Organisers of that Series, Meeting or Event of the signed Entry Form for that competitor.

4. **Positive Test Result:** No competitor will be allowed to compete if a positive test is given. A competitor returning a positive test will be given the opportunity to take a second test within twenty(20) minutes of the first test. Any competitor returning a second positive test will not be permitted to take any further part in the meeting until such time as a twelve(12) hours stand-down period has been observed, taken from the time of the second test, and a zero reading is obtained from that competitor.
