BACK IN MOTION GUIDELINES

COVID-19 PROTECTION FRAMEWORK

Updated: 4 April 2022

MOTORSPORT BACK IN MOTION

MotorSport New Zealand’s guidelines for the safe running of MotorSport activities in the current COVID-19 environment.

In-line with the latest NZ Government announcements, MotorSport New Zealand are pleased to advise that from **11:59pm on Monday, 4 April**, there is no longer a requirement for a current “My Vaccine Pass” to attend events.

Clubs and Venues however still have the option of utilising this system if they so wish to. We encourage any Club or Venue to contact the MotorSport NZ office for advice and guidance on this.

The [COVID-19 Protection Framework](#) outlines three different levels of risk, and how motorsport events may be run under each level.

COVID-19 Protection Framework	Indoors	Outdoors
RED	Indoor events are limited to 200 people. Indoor capacity limits include children but not workers. Attendees should wear a face mask at an indoor event.	There are no capacity limits outdoors. You do not need to wear a face mask.
ORANGE	Under current COVID-19 guidance, there are no restrictions.	
GREEN		

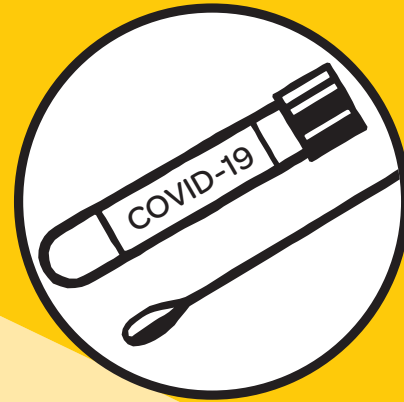

All competitors and officials must ensure they follow all NZ Government guidelines regarding COVID-19 while also adhering to MotorSport New Zealand regulations, the [National Sporting Code](#) and relevant Schedules & Appendices.

Additionally, motorsport venues, organisers and clubs have the right to apply additional requirements to those noted in this document and under the COVID-19 Protection Framework. These additional requirements (if applicable) will be advised in the Event’s Supplementary Regulations.

If you have any questions or need any clarity please contact the MotorSport New Zealand office on 04 815 8015.

**Stay home if
you are sick**

**Get a test if you
have symptoms**

**Keep a 1-metre
distance from others**

**Cough or sneeze
into your elbow**

Please keep our workplace safe
