NZ Six North Island Race Series Accredited Series Articles Amendment

This amendment is issued under the provisions of the MotorSport NZ National Sporting Code Article 18(2) in confirmation that the following amendments, notices or points of clarification have been authorised to the text of the Supplementary Regulations of the above named event. It is recommended that in addition to retaining a copy of this bulletin all parties modify the text of the regulations according to the following:

Accredited Series Article Amendment

1. Amend Article 11 as set out in the schedule below.

1. 11 POINTS (for both the NI SERIES and the NZ SERIES)

11.2.1 NI Series Points will be awarded in order of NI Series registered competitor's finishing positions (i.e. NZ Super Six Saloons Series competitors domiciled in the Island not hosting the NZ Series and not already contesting the host Island Series ~~not registered for the NI Series~~ will be removed from the results for the purpose of allocating NI Series Points).

~~**11.3.1** For the NI Series, Competitors shall drop their worst point scoring Round competed in. Competitors shall not drop a round where:~~

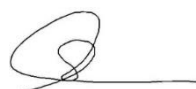

~~(a) an infringement (technical, driving or sporting conduct) has been incurred in accordance with the current New Zealand MotorSport Manual, these Articles and/or Schedule S6, or~~

~~(b) The competitor has not recorded one(1) timed lap in any Qualifying or Races.~~

11.4 The NI Series Champion will be the driver with the highest overall Series Points score over all Rounds of the NI Series ~~after deducting the worst point scoring Round (i.e. a maximum of five(5) points scoring Rounds will count towards the final Points score).~~ In the event of a tie the ruling as defined in Appendix 4, Schedule Z Article 15.6 of the of the current New Zealand MotorSport Manual will apply.

Reason: *North Island Competitors voted at their 2021 AGM to not drop their worst round. Contradiction corrected surrounding series points.*
